WHY CHOOSE SHELTERCOAT?

Looking for a convenient and customizable outdoor storage solution at a great price? ShelterCoat buildings and shelters offer customers the flexibility to choose from three building styles: peak, round or barn and from thousands of size options. Custom configure your own ShelterCoat and discover why customers rave about this unique product.

SHELTERCOAT IS GREAT FOR:

PORTABLE BACKYARD VEHICLE STORAGE + GARAGE

From boats, classic cars, to trucks and ATV's; the ShelterCoat is a great storage solution for vehicles. Use this easy-to-assemble garage to protect valuable vehicles from sun damage and winter weather.

RV STORAGE + TRACTOR STORAGE

Need more headroom or clearance for your tractor or RV? The ShelterCoat offers various size options and ample headroom to ensure clearance for your vehicle.

EQUIPMENT STORAGE

Are you a private company looking to store valuable equipment year-round? ShelterCoat offers ample storage for equipment, and features ample headroom and custom length options for your business.

OTHER USES FOR SHELTERCOAT:

- Car Storage • Truck Storage • Hay Storage • RV Storage • Tractor Storage • Boat Storage • Backyard Workstation • Outdoor Workshop • Backyard Garage • Outdoor Storage • Portable Storage • Seasonal Shelter and Storage

FEATURES & BENEFITS OF A SHELTERCOAT

A Reliable, Customizable, Affordable All-Season Shelter

Why conform? With thousands of options to choose from, you can get the shelter you want at a great price with the ShelterCoat; an affordable all-season shelter solution from ShelterLogic.

HIGHLY CUSTOMIZABLE AND AFFORDABLE ALL-SEASON SHELTER

Choose from three styles: round, peak and barn and choose from a range of size and length options. Configure the building you want, at an affordable price you won't get anywhere else.

STURDY AND STRONG POWDER COATED ALL-STEEL FRAME

Our tough powder coated steel frames are made strong, stable and sturdy. The unique coating protects against rust and corrosion. The pipe diameters of our frames range from between 1 5/8 in. to 2 3/8 in. depending on the width, length and height of your configuration.

TESTIMONIALS

VERY GOOD QUALITY

"This is my second ShelterLogic garage and again I was very pleased with the quality. Very good fit and the picture illustrated instructions were very easy to follow."

— Ron

GREAT PRODUCT

"Very useful, reasonably priced, excellent Customer Support regarding assembly. Arrived promptly in perfect condition. Instructions were specific to our size but that didn't really create a big problem."

— Black

GREAT PRICE

"Owned for over 2 years now and it has survived the bad NH winters. Great for my hay and tractor storage. The white inside really reflects light well. Very happy with it."

— Kat
