

Neuriterx® leg and foot cream is specifically formulated to warm and moisturize dry, chapped skin.

DIRECTIONS: Wash legs and feet with warm water. Allow to air dry or pat dry with soft cloth. Apply generous amount of cream and massage until thoroughly absorbed into skin.

For optimal results, use at least 3-4 times daily.

WARNINGS: If you are under medical supervision seek the advice of a health care professional prior to use. Do not use if you are sensitive or allergic to any ingredient. Do not use if pregnant or nursing. Do not apply to wounds or damaged skin. Stop use and ask a doctor if condition worsens or irritation develops. Avoid contact with eyes. Store at room temperature.
