## Declaration

Read the following statements before signing. Acknowledge the statements by signing below.

- **Basis:**
  **If the applicant is filing the application based on use in commerce under 15 U.S.C. § 1051(a):**
  - The signatory believes that the applicant is the owner of the trademark/service mark sought to be registered;
  - The mark is in use in commerce on or in connection with the goods/services in the application;
  - The specimen(s) shows the mark as used on or in connection with the goods/services in the application; and
  - To the best of the signatory's knowledge and belief, the facts recited in the application are accurate.

  **And/Or**
  **If the applicant is filing the application based on an intent to use the mark in commerce under 15 U.S.C. § 1051(b), § 1126(d), and/or § 1126(e):**
  - The signatory believes that the applicant is entitled to use the mark in commerce;
  - The applicant has a bona fide intention to use the mark in commerce on or in connection with the goods/services in the application; and
  - To the best of the signatory's knowledge and belief, the facts recited in the application are accurate.

- To the best of the signatory's knowledge and belief, no other persons, except, if applicable, concurrent users, have the right to use the mark in commerce, either in the identical form or in such near resemblance as to be likely, when used on or in connection with the goods/services of such other persons, to cause confusion or mistake, or to deceive.

- To the best of the signatory's knowledge, information, and belief, formed after an inquiry reasonable under the circumstances, the allegations and other factual contentions made above have evidentiary support.

- The signatory being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful false statements and the like may jeopardize the validity of the application or submission or any registration resulting therefrom, declares that all statements made of his/her own knowledge are true and all statements made on information and belief are believed to be true.

**Signature Section:**
**NOTE:** The same person may sign the declaration on behalf of the other joint applicant(s), by merely making identical entries. The USPTO will presume that the one person who has signed was, in fact, authorized to sign on behalf of the other person(s).

**NOTE TO APPLICANT:** When filed as part of the electronic form (i.e., scanned and attached as an image file), the signature page **must** include both the signature information **and** the declaration language. Do **not** include the entire application, but do ensure that the declaration language actually appears; *a signature by itself will **not** be acceptable*. If, due to browser limitations, the declaration language appears on a previous page when printed, you must "merge" the declaration and signature block onto a single page prior to signing, so that the *one complete page* can be scanned to create an acceptable image file. It is recommended that you copy-and-paste the entire text form into another document, manipulate the spacing there to move the declaration and signature section to a separate page, and then print this new version of the text form to send to the signatory.
