Over one million royalty free photos, illustrations and vector graphics - and thousands of free video clips. All images and footage on Pixabay are released under Creative Commons CC0: Free for commercial use, no attribution required.

Pixabay is the most valuable free alternative to commercial stock photo sites. The Pixabay mobile app includes the following features:

- \* Fast search and a user-friendly interface
- \* Swipe through search results
- \* One-click image viewer - optimized with zooming and panning for smaller screens
- \* Directly download and share images in all sizes
- \* Messages and comments allow you to connect with others
- \* Images can be liked, favorited, and easily managed within the app

Planned features for the next app version:

- \* Direct image uploads from your device
- \* Show tags and camera info for all images
- \* Manage your own uploads

We want to give you the best experience possible with this app. If you have suggestions, which are not mentioned in the new features list - or if you want to report an issue - please write us at [info@pixabay.com](mailto:info@pixabay.com) or visit the Pixabay forum: <https://pixabay.com/en/forum/topic-24/>

I really love this app a lot. I will be using pictures from this app for my YouTube videos. But recently, there has been a problem. Whenever I log in, it doesn't seem to be loading any images. But once I log out, then all the images can be easily loaded. I would like to bring this issue to the atten...

Having logged in, and installed the app, I can no longer successfully search for a picture. All searches result in a 0 image result. My desktop PC shows otherwise for the same search. It's a shame that the only option is to be tied to the desktop pc, when a simple browse can turn into hours of image...
