

CARVANA HAS YOU COVERED

We offer two kinds of coverage for your vehicle: CarvanaCare and Gap Coverage. CarvanaCare covers your car by extending its original warranty, covering costs should something break down. Gap Coverage covers what you still owe on the car should it be totaled or stolen.

Just because your car is used, it doesn't mean you can't protect it like it's new. CarvanaCare delivers added coverage to your manufacturers' warranty so you can drive knowing your brand used car has that new warranty feel.

COMPETITIVE PRICING

In our mission to put customers first, we price our protection products competitively.

LOW DEDUCTIBLE

Depending on the nature of your repair, the most you'll pay is a \$50 deductible per visit.

IF YOU NEED REPAIRS

We offer flexible options for which repair facility you choose.

CANCEL ANYTIME

Hassle and worry free, cancel at any time and receive a prorated refund.

GAP COVERAGE

Life happens. And it never happens at a convenient time. That's why Carvana Gap Coverage exists. Should you find your car totaled or stolen, we'll cover the difference that is still owed on your old ride. Now that's what we'd call a plan that has your back.
