

Wasteful waste hauling can cost you a bundle

Fine Tune your program

## “Nuisance” expenses can spiral out of control

Make no mistake: all those hidden program up-charges and variable costs add up. They negatively impact your bottom line, dragging down profits.

Here are some of the warning signs:

**OFF-CONTRACT  
CHARGES**

**HIDDEN PRICE  
INCREASES**

**AGGRESSIVE  
DISCRETIONARY  
CHARGES**

**END OF  
CONTRACT  
LIABILITIES**

**ONEROUS  
SUPPLIER  
CONTRACTS**

**INVENTORY  
OVERCHARGES**

Our experts are relentless

With “nuisance” expenses, effective sourcing and contract negotiation is only half the battle. Vigilant, ongoing auditing and management is critical to ensure that you get what you sign up for.

## Risk-free partnership saves you money

We're compensated only via shared hard-dollar savings after your savings have been realized. That means no upfront costs or additional fees, no creative definitions of savings, and no risk.

See the impact Fine Tune can have on your bottom line.

## Our Core Applications

Fine Tune focuses on the most burdensome “nuisance” expenses. Since 2002, our experts have been deeply immersed in the following expense categories:

## Waste & Recycling Services

We make sure you don't leave profits at the curb.

## Uniform & Facility Services

From structuring contracts to managing expenses, we've got you covered.

Our expertise can be applied to many other indirect contract expenses.
