Meet Your Home Team

Every PreFix member has a Home Manager that's their go-to person.

We don't just know homes, we get to know your home

PreFix Home Managers are the most qualified people on earth - military veterans with impeccable records. They know how to get a job done.

Each Home Manager aims to deliver outstanding service, every day, without fail.

If something breaks, or if you simply want some advice, your Home Manager is your main point of contact. With your permission, they can even take care of things when you aren't home.

Cameron McNeel
Austin Home Manager

Experience: Previously a Construction Superintendent for major TX home builder, working with homeowners, contractors and municipal inspectors.

History: Sergeant and Squad Leader in U.S. Army. Supervised military-grade equipment maintenance

Education: B.A., University of Texas

PreFix eliminates the hassles of home maintenance, but don't take our word for it.

Exactly what folks like me are looking for in terms of a 'partner in service'. I learned things during the visit that can help me with my home.

Vivian M.
Austin, TX

If you want to 'own your home, not its problems' then PreFix is a must! They have been a huge time and money saver.

Love PreFix! We are first-time homeowners with young kids and don't want to spend a lot of time fixing/maintaining things around the house, because PreFix does all that.

Alexis H.
Austin, TX

I use these guys in my home, I got PreFix and had 5 things fixed in one afternoon. This normally takes three different trade pros and twice as much time and money.
