

CAR WASH SERVICE AND PARTS

Keep Your Business Running Smoothly

NCS SERVICE ADVANTAGE

Let NCS keep your car wash up and running with all the maintenance service, parts and repairs you need — regardless of the type or brand of car wash system you operate. We do it all, so you can focus on running your business and growing your profits. Trust NCS for your maintenance service/repair and parts needs, and discover why we service thousands of car wash locations across the nation.

Only National Carwash Solutions has a national direct-service support network staffed by 400+ certified trained, locally-based service personnel — so you get a fast response where you need it most. Our expert technicians know the ins and outs of all tunnel and in-bay automatic car wash systems and equipment, including the bay's water treatment, heaters, tellers, doors and so much more.

GENUINE OEM CAR WASH PARTS

Get all the parts you need, when you need them. NCS stocks genuine, high-quality OEM parts to keep your equipment running at its best. Our vast inventory includes millions of dollars' worth of parts, ready for speedy delivery from over 400 fully stocked service vans and local warehouses throughout North America. You can purchase select OEM parts directly from our [online store](#).

CAR WASH SERVICE PARTNER

The quality of our service sets National Carwash Solutions apart in the car-washing industry. When combined with our parts business, we offer the finest, most comprehensive solution for maintaining your equipment — and reaping the benefits of centralized billing and customer service.

We fix things right the first time with a national average 95% first-time fix rate. NCS offers a range of service and maintenance plans that not only keep your machines up and running at their best, but also save you money and hassles by preventing larger problems down the road. Our service plans include the following:

- **Premium Maintenance** offers comprehensive preventive maintenance covering; all service calls, parts and labor associated with covered equipment; for a low monthly fee. Normalize your maintenance expenses into a planned budget expense with a Premium Maintenance plan today!
- **Managed Maintenance** provides comprehensive preventive maintenance and all associated labor on covered equipment. Operators are only responsible for parts and receive a parts discount for preferred Ryko customers. Bring your maintenance expenses under control with a planned budget expense using a Managed Maintenance plan today!
- **Preventive Inspections** include comprehensive preventive inspection on all equipment; recommendations for preventive maintenance and repair; and Ryko preferred-customer pricing on all labor and material.
