

FAIRHAVEN'S
REHABILITATION PROGRAM
is designed for seniors in need of rehabilitation following a hospitalization or acute illness or injury. Our highly qualified clinical staff consists of licensed registered nurses, licensed practical nurses, certified geriatric assistants, physical, speech and occupational therapists who have specialized training to meet the unique needs of older adults. Our interdisciplinary approach to treatment is designed to facilitate an individual's return to the highest level of independence and ultimately to an active lifestyle.
