Just launched | No feedback yet

BioArmor is a Certified Service Disabled Veteran Owned Business, specializing in infection control products.

Our Corporate office is located at the David H. Murdock Research Institute in Kannapolis, NC, where we collaborate with researchers and scientists to improve the health benefits of our products.

Our popular product is our alcohol-free hand sanitizer. Our formula includes safe, non-toxic, plant-based ingredients. They include aloe leaf-juice, which keeps skin hydrated and clear, also Vaccin...
