**Time Out: How to Prepare for Time Away from the Office**

At some point you're going to need to take more than a day or two off of work. It might be for a vacation, it might be for parental leave, or it might be for something you didn't plan on like sick relative or an accident. Obviously the unplanned absences are harder to prepare for (unless you have a solid Magic 8 Ball on your side), but there are a few things you could do so you don't leave your company in the lurch should that type of situation come up. Here are some of the ways you can be prepared to take off, whatever the situation may be.

**2019 SPE ASEAN Seminar Held at Nanyang Technological University in Singapore**

The SPE Asean seminar 2019 was held at Nanyang Technological University in Singapore. The focus of the seminar was to apprise attendees on the latest developments in plastic applications and to promote the industry.
