Why use Venmo?

Because it's the money app for splitting the cost of almost anything—right then, right there.
Because it makes settling up feel like catching up.
Because you can add a note to each payment to remember the moments, not the money.

What do people use Venmo for? Plenty of things, like:

Meals

Split the group dinner tab without the napkin math.

Rent

Transfer money to roomies for your share of rent and utilities.

Activities

Settle up for fun stuff like concert tix and road trips.

Surprises

Send a penny to say hi, or 5 bucks for good luck.

It's like all of my recorded data in their servers has been wiped completely. And...

Please contact me and resolve this issue within the next 24 hours. If this issue is not resolved dur...
