

Make and Share Payments

Pay friends and family with a Venmo account using money you have in Venmo, or link your bank account or debit card quickly.

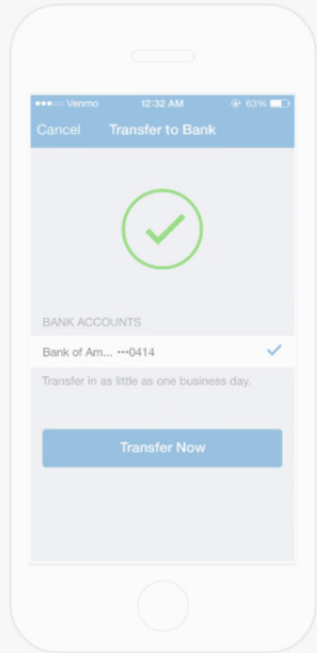

Connect with people

Remember the moments you share with friends. Split dinner, send a birthday gift, or just say hello.

Make purchases

Use your Venmo account as a way to pay in mobile apps. To learn more, [click here](#).

Transfer money to your bank

Move money from Venmo to your bank account.

Ready, set, pay

Security

We use encryption to help protect your account information and monitor your account activity to help identify unauthorized transactions.

[More about security](#)

Use Venmo with anyone

Pay family and friends with Venmo accounts using a phone number or email. If they don't have a Venmo account, they'll just need to create one. Find friends automatically by syncing your Facebook or phone contacts.

Free with many payment methods

When you send money using your Venmo balance, bank account, debit card or prepaid card, we waive fees so it's free. Our standard 3% fee applies to credit cards. Receiving money and making purchases in other apps is always free.
