Texas Dawn™ Bougainvillea

Bougainvillea 'Monas'
SKU #1345

Strong vining habit for a quick, carefree cover. Long, arching branches hold sprays of delicate rose pink flower-like bracts, providing a beautiful show nearly year-round in frost-free regions, on arbors, trellises, and spilling over fences. Use as a summer annual in colder climates, as an attractive accent in patio containers and hanging baskets.

Flower color:	Pink
Flower attributes	Long Bloom Season, Showy Flowers
Garden style	Contemporary, Cottage, Mediterranean, Rustic, Tropical
Design Ideas	This bougie is both reliable and vigorous, growing tall enough to shroud arbors in shade-giving foliage and flowers. Train it onto walls and fences, or onto unsightly sheds. Spiral the stems up posts and columns, and through wrought iron panels or fences. Super contrast against red tile roofs. A great choice for dry gardens in very hot landscapes
Companion Plants	Lantana (Lantana); Princess Flower (Tibouchina); Hibiscus (Hibiscus); Jatropha (Jatropha); Purple Fountain Grass (Pennisetum)
