## Coordinated Highway Assistance & Maintenance Program

**S**afety is Georgia Department of Transportation's #1 priority and CHAMP is critical to enhancing safety on the roads. This new Georgia DOT service provides emergency response, maintenance support and motorist assistance on interstates **outside Metro Atlanta**.

### CHAMP operators:

- Provide emergency response
- Remove roadway debris and address maintenance issues
- Offer motorist assistance

### CHAMP Includes:

- 48 full-time operators and customized trucks.
- Patrols on 16 interstate routes (except I-59 and I-24).
- Patrols 16 hours a day and on-call the remaining hours – 7 days a week.

Reach CHAMP statewide by calling

Motorists **MUST** slow down and “**Move Over**” one lane when CHAMPs are working – **IT IS THE LAW!**

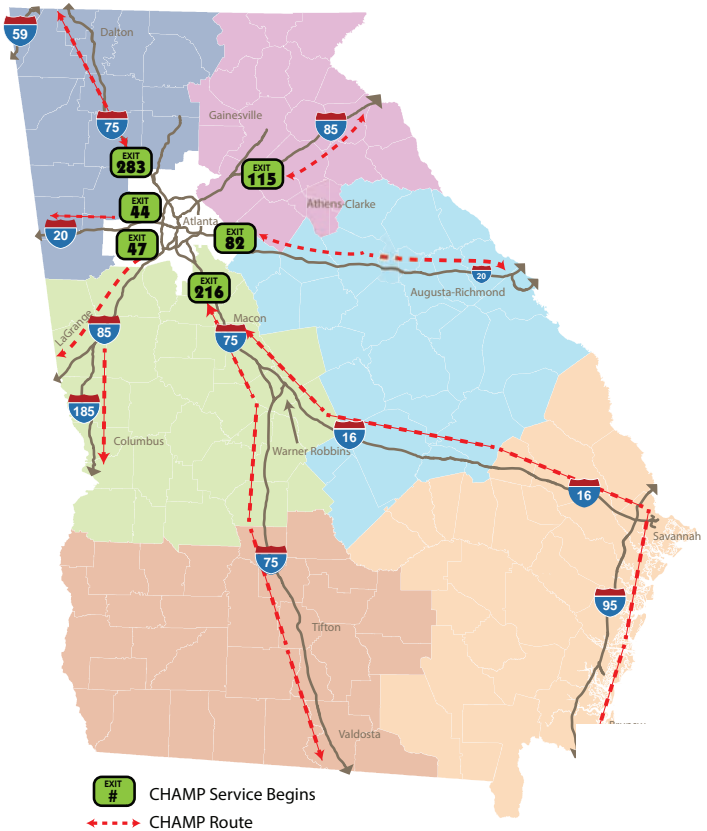

The Transportation Funding Act of 2015 makes this new Georgia DOT program possible.
