Description

Headed to the beach with your friends and family until you realize... You forgot your towel. AGAIN! If only you had the EVO Microfiber Towel to save you. Its slim and compact structure leaves plenty of must-takes. Speakers, football, sunscreen, sunglasses. There's still space for that and more. And in case you don't want to put the towel in your bag, it comes with its exclusive EVO mesh and nylon bag for you. If you're drenched, the EVO towel will still dry you up. Thanks to its microfiber fabric, it's super absorbent and dries up to 10x faster than normal terrycloth towels. Lie down, soak up the sun, and enjoy your beach day with the EVO Microfiber Towel. High performance in the most compact form.

- 100% microfiber dries up to 10x faster
- Compact and slim structure takes only a fraction of the space
- Mesh and nylon bag included for easy travel
- Sewn-in elastic wrap makes it easy to roll up and store
