## **Piazza Pod Park**

**Customized Shipping Containers:** This once dusty parking lot has become the destination for dining and recreation in the Northern Liberties neighborhood in Philadelphia, PA. 15 customized [BoxPop® shipping containers](#) were outfitted with generators, functional kitchens, air conditioning, and other amenities. The Piazza Pod Park features open-air dining, shopping, art installations, fitness activities, and family play areas.

\*Britten worked tirelessly to suit our shipping container fit-out needs for the centerpiece of Piazza Pod Park, a project
