What to Expect From Empower 2020

Laserfiche Empower is the premier event for professionals wanting to improve their organization's efficiency and take their digital transformation journey further.

More than just four days of keynotes and classes, the conference is an opportunity to hear inspiring stories from industry thought leaders like Empower 2020 speaker [Guy Kawasaki](#). The tech-world icon has held key positions at Apple and Google, and helped mastermind how to market the first Mac computer.

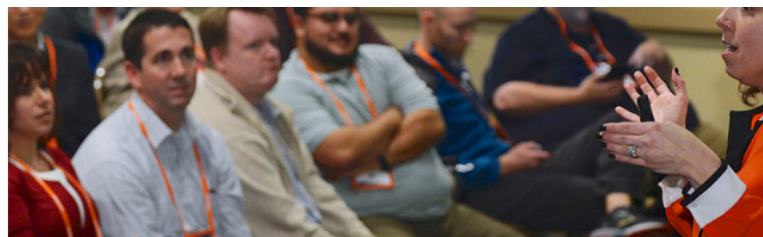

Industry Insights

Get Insight on the Industry's Hottest Topics.
