Practical Note: The fireworks business is seasonal, *so it is always best to call ahead and confirm dates and times before making a delivery or pickup.* It also helps to provide your cell phone so we can coordinate with you if there are any changes for whatever reason.

Technical Note: Using our correct USPS address in some map and GPS programs will show the intersection of County Rd 1 and County Rd 5. The entrance driveway to PPI is actually 2,500 feet to the east of this intersection. Even though it is incorrect, please try using this address 4340 County Highway 5 NW, Colfax, MN 56312 in your map or GPS program.
