★★★★☆ **Craftsmanship looks well made...**

September 12, 2018
Color: Deep Blue **Verified Purchase**

I expected a pocket on the side but there is no pocket. The other disappointment was that the top opening is not the full size of the top, it's a small round hole about the size of a basketball. I just got them and am going to keep them but I can't see me folding clothes and getting the in and out of the top opening. It definitely won't hold large bath size towels but I'm keeping them bc they look well made and I carry smaller loads up and down stairs to my laundry room. They look like they would be good to store other things in like grocery bags or cleaning clothes etc...

★★★★★ **Strong and Handy**

January 24, 2018
Color: Deep Blue **Verified Purchase**

I'm hoping these last longer than previously purchased brand. These are a bit larger than some, very handy small footprint (folded) to store and strong. For me, one full hamper is approximately one washer load.

These are working out well as the alternating dirty clothes containers to transport back and forth from an assisted living center.
