Ok, maybe I took this thing down with my Red Rider BB gun! I got this for a friends birthday. He's 48. It's fun and perfect for a game room or garage or mancave for someone who has a sense of humor, it's not meant to replace the real thing.

I redesigned and decorated my daughters's room and out of everything that I hung on the walls, this is their favorite! And all their friends love it as well. Well-made and super easy to hang!

★★★★★ Love this!

November 22, 2018

Verified Purchase

I bought 2 of these (the elk and the black bear) for my boys' room. They are adorable and lightweight, so I don't have to worry about them getting knocked off the wall and breaking or hurting someone. I had a moment of panic when it arrived and the horns were bent, but they have wire and shaped perfectly.
