

"A good product is derived by a good ingredient"

## About Us

---

- 
- ✓ **ACARA BIOHERB** a leading manufacturer of Standardised Botanical / Herbal Extracts & Essential oils in Bangalore, India.
  - ✓ **CERTIFIED ORGANIC** under the **NPOP & NOP** programme -USDA organic.
  - ✓ Bringing the goodness of Ayurveda (age old time immemorial science of India) & Indian herbs to the world.
  - ✓ **ACARA** brings in the product support system in order to serve the Dietary supplement, Food supplement, Nutritional & Nutraceutical industry.
  - ✓ All the herbs are sourced directly from the contracted farms in order to have the traceability, authenticity & quality of our herbs. The lists of **ORGANIC** botanical extracts are quite extensive and the large selling extracts are Ashwagandha, Amla (Indian gooseberry), Green coffee bean, Turmeric (Curcumin), Garcinia, Garlic, Ginger, etc.
  - ✓ We follow the **GAP - GOOD AGRICULTURAL PRACTICES & cGMP - CURRENT GOOD MANUFACTURING PRACTICES**.
