CALIFORNIA®

AWNTECH CORPORATION®

CALIFORNIA® - Stock Retractable Awning

This Beauty-Mark® CALIFORNIA® heavy-duty retractable awning is a work-horse. It will provide up to a 20% reduction in temperature. During summer months, the CALIFORNIA® may reduce energy costs by as much as 30% if extended over south or west facing windows. Unlike a permanent patio cover the CALIFORNIA® will retract and allow the sun to warm your home in the winter. Check below for available accessories and creative usage ideas. Note: This awning is designed for wall mount, soffit mount and roof mount projects.

Features:

- Beauty-Mark® brand
- Made in the USA
- 5 Year Limited warranty
- Easy to install
- Comes fully assembled

Frame:

- Heavy-duty steel frame
- Lateral, multi-chamber projection arms
- Dual stainless steel cables encased in arms
- Powder coated frame
- Manual retraction with 1:13 worm gear
- Adjustable pitch
- Stainless steel hardware

Canopy

- Beauty-Mark® 100% solution dyed acrylic fabrics & trims
- Water, fade, soil and mildew resistant
- 50+ fabric choices(see the swatch images or links)
- Valance height = 10"
- 5 Valance style choices
- Default valance style = Sahara
- Valances may be removed and stored
- Canopy may be cleaned with a mild solution

Accessories: (extra cost)

- Breeze Misting System
- Wireless lighting with remote & motion sensor
- Mosquito net protection system
- Attachable solar shade (Las Brisas)
- Outdoor area rugs
- Winter Cover
- Manual override motor with remote
- Wireless wind sensor
- Signage
- Breeze Supports
