D-WEB

WHOLESALE STRAP WEBBING

D-Web wholesale narrow webbing is engineered, tested, and inspected, by trained Quality Control experts, to meet rigid standards. Minimum order quantities start at 50-yard rolls.

All D-Web webbing can be custom ordered in colors, material, weaves, or styles. Applications include: bags, backpacks, recreational equipment, tactical equipment, medical items, and pet accessories.

DirectTex offers low-cost wholesale pricing to business and government agencies. DirectTex specializes in custom manufactured components and subassemblies for your projects. Contact DirectTex to learn more about our custom component manufacturing.
