INDUSTRIAL SEWING THREAD

Wholesale industrial sewing thread supplied by DirecTex. High quality thread with single cone minimum order quantities provides manufactures with a reliable and cost effective solution.

Available in thread styles ranging from standard nylon and polyester to core-spun polyester and bonded nylon. Stocked in black, with custom color options available.

DirecTex offers low-cost wholesale pricing to business and government agencies. DirecTex specializes in custom manufactured components and subassemblies for your projects. Contact DirecTex to learn more about our custom component manufacturing.
