YAW LIAMY

YAW LIAMY WHOLESALE FABRIC

Wholesale fabric with PU and PVC coatings and UV, water resistant, and fire retardant treatments.

Most popular uses for these fabrics and foams: indoor outdoor fabrics, camping equipment, ski gear, party tents and awnings, decorative upholstery, horse blankets, awnings, athletic gear, casual wear, water sports, marine upholstery, marine vinyl, bimini tops, tractor trailer covers, agricultural weed control fabrics, hospital equipment covers and fasteners, military apparel, luggage and bags. Minimum order quantity start at 50-yard rolls.

Color swatches on website are representations of the material and clarity will vary with individual computer screen settings. Unique textures and finishes may not be apparent. Request a color swatch book for any of the fabrics you are interested in so you can be sure that the color, weight and hand is what you need for your specific application.

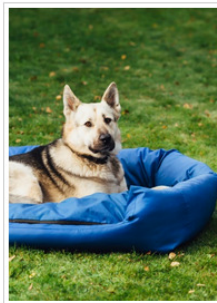

Use of Care Instructions DOWNLOAD
