GRIP-IT HOOK AND LOOP TOUCH FASTENERS

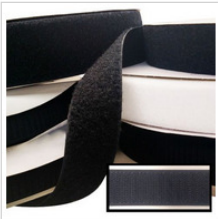

Grip-It hook and loop touch fastener, a DirecTex brand, is made from high quality nylon material and conform to our high quality standards. Minimum order quantity begins at 50-yard rolls.

Grip-It wholesale hook and loop is ideal for many applications; medical bracing, splinting, and hospital disposables, wire and cable management, cable ties, disposable diapers, apparel, furniture, outdoor products, straps, and more. Available in custom color options, Grip-It hook and loop fasteners are stocked in black and white.
