Pirate's Secret® Essential Oil di Thief ~

Pirate's Secret™ Essential Oil di Thief is a Jojoba Thieves Essential Oil blend of an ancient recipe that kept the pirating thieves of 14th Century France safe from the Plague, and may save you from the daily scourges that attack our systems.

Uses

Pirate's Secret™ Essential Oil di Thief is to be rubbed upon your skin and for aroma therapy. It purifies and hydrates your skin while also keeping annoying pests and microorganisms at bay. See our [Use Guide](#) here.
