

Who We Are

Relationships. Fairness. Simplicity.

HOME > Who We Are

Ironically, common sense has never been all that common. If it were, banks would only sell you what you need. Everything would be fair, without all of the fine print. And, when your banker looked at you, they wouldn't just see a number, they'd see a dad, or a mom, or a graduate, or a business owner. That's why at Community Banks of Colorado we understand the complexities of people's lives and offer simple solutions. We call it banking with common sense, and we invite you to do the same.

Community Banks of Colorado is a division of NBH Bank, which is a subsidiary of National Bank Holdings Corporation (NYSE: NBHC) and operates a network of banking centers throughout Colorado, Kansas, Missouri and Texas.

We're uniting with other companies to lead the charge on diversity and inclusion. [Read more about the CEO Action for Diversity & Inclusion.](#) Please watch the video below for an example of how we're promoting diversity and inclusion within our culture.
