

5Street

5Street is a free-to-play online dance game where players can socialize, dress in the latest fashions and dance together to hit music. Create your own character in the virtual cityscape alongside thousands of other players. Show to everyone who you are by customizing your character and the newest fashion. Choose from a real-life looking wardrobe of shirts, dresses, earrings, bracelets and all other fashion items you can imagine. Live out loud and show your best moves in 5Street!

5street Key Features

Show Off Your Personality - Dance by yourself, with a special someone, or with a group of friends in any one of the 30-player dance halls, each uniquely designed.

Show Off Your Moves - Socialize and meet new people. Video-chat with players face-to-face anywhere or in the dedicated video-chat dance halls.

Show Your Heart - Groove to popular songs in any of our many Dance Halls! We keep track of top music charts all over the world as well as feedback from the players to pick songs to be included.

Your House and Virtual World - Every player will own a house in 5street virtual world. Pets are also part of 5street virtual world. There are lots to choose from and each one has an original and sometimes a bit uncommon look.

Battle Modes - 5street offers several PvP options called battle modes. There are more than 10 battle modes where players can compete 1 vs. 1 or in teams with friends!
