Dark and Light Patch 5/17

2:24pm

Greetings Adventurers,

Our next update will be at 1:00 am PST on May 17.

Remember to keep an eye out for the in-game message for when the servers will be closing for the update!

Elemental Tower Change and Balancing

- Increased the basic damage for Elemental Tower from 75 to 100
- Increased the max damage Elemental Tower does from 225 to 350 per shot
- Increased the Water Element ammo's movement slowdown from 20% to 40%
- Increased the Light Element ammo's accumulated Constitution on the target when getting hit from 10 to 20, and adjusted the shooting interval from 2.4 to 2
- Increased the Dark Element ammo's additional damage from 75 to 150, and adjusted its shooting interval from 0.4 to 0.8
- Increased the Wind Element ammo's valid range from 1,000 to 1,500
- Removed two Elemental Requirement: Fire+Earth and Water+Earth
- Optimized Elemental Tower's vfx, to reduced the lagging issues caused by large amount of Elemental Towers getting rendered
- Preview of Large Elemental Tower in the next patch: in addition to the current elemental combinations available at the Elemental Tower, Large Elemental Tower will enjoy two more elemental combos:
 Combo 1: tremendous amount of damage to flyers
 Combo 2: AOE explosive damage to non-flyers

EARLY ACCESS REVIEW

The game is basically dead. I'd still love to play it but with 1 or 2 players active on a 70 man server it is just not appealing...
