Fear the Night Patch 34.54216

May 7

Greetings Survivors,

We will be pushing a patch 34.54216 on May 8 at 00:00 am PST.

Below you can check the complete list of changes and fixes:

• Added Murder Island to the map in Area 11, along with a new cave on the island.
• Added a large vehicle, Big-Cargo, together with the items and resource used to craft the Big-Cargo
• Added Zobi-Gasoline, the fuel to power up Big-Cargo, and the required items and resources to craft it.

This game is super fun

The more I play this game, the more I like it. I just started playing this weekend and I'm really starting to like it. I've tried other games like H1Z1, Scum, and Dead Frontier II, and this game... ...any things about the zombie genre right, especial...

How to host your own dedicated server to play single …

General Discussions

Here are the steps to hosting your own dedicated server: We temporarily disabled single player for the time being but fear not survivors, here are the steps to get your server up and running so you can still play single player for the time bein...

Update: Vehicles =)

I have wanted cars in this game for a long time, but motorized shelters? That's pretty awesome! :-D [url=https://scontent.faar2-1.fna.fbcdn.net/v/t1.0-9/56290968_283430569263140_5883202749876666368_o.jpg?_nc_cat=109&_nc_ht=scontent.faar2-1.fna&oh=a6a096...

UPDATED from devs - discord

Game back to early acces "@everyone
Just to give you guys a bit of update.
Early Access was removed in store
page due to a bug on Steam's end,
we've finally managed to talk to them
today and have it fixed. While we don't
