The image shows the top navigation bar of the KuCoin website. It features the KuCoin logo on the left, followed by a list of market types: Markets, Buy Crypto, Spot, Contract, Earn, and More. A '20x leverage' badge is positioned above the Contract menu. On the right side, there are links for Global Ambassador Program, AML&CFT, Log In, and Sign Up. Below the navigation bar, there are four main sections: Learn (with a Beginner's Guide link), Developer (with API Document, SDK, and Sandbox links), APP Download (with Android and iOS download links), and Community (with social media icons for Facebook, Twitter, Telegram, YouTube, Email, and Reddit). The footer contains copyright information and a timestamp: 'CopyRight © 2017 - 2019 KuCoin.com. All Rights Reserved.' and '2019-12-04 16:53:46 (UTC+8) 24HVolume'.
