★★★★★ **Variety makes them great for all ages & genders**

October 3, 2019

Color: vSCO stickers | **Verified Purchase**

I chose to purchase this set because of the variety. I'm very happy to chose to do so. The variety gave options for each of my kids (both genders, ages between 2-17) to choose stickers for their water bottles. So far they're adhering well & staying put. The colors on the stickers are nice & vibrant.

★★★★★ **Super cute variety**

I love these stickers. My daughters each picked out a few to use for their hydroflasks. The are a good size, not too small and they have a variety of fun prints. I have washed both hydroflasks more than once and the stickers are adhering well despite that. Would definitely recommend!

★★★★★ **Cute Stickers for Teens**

October 18, 2019

Color: vSCO stickers | **Verified Purchase**

I got these for my teenage daughter. She loved them. She has put them on her phone case, cup, room diffuser, all sorts of things. They are so cute. They are bright and colorful and easy to apply to whatever surface. If you have a teenage girl, I'm sure she would love this. Would be a great gift!

★★★★★ Fun way to tell waterbottles apart

December 4, 2019

Color: vsco stickers | **Verified Purchase**

I bought these for my daughters as a fun way to decorate their waterbottles so they can tell them apart. After getting them, I think I want one for myself. They're good quality and have survived through 1 wash in the dish washers so far. I let them take the stickers to school to share because there were so many, now all their friends want to know where to get more. Lol! Great buy! Also 1 of the pictures I took has a quarter next to some of the stickers to give an idea of their size.

★★★★★ Pretty Hydroflask Stickers for VSCO girl

November 23, 2019

Color: vsco stickers | **Verified Purchase**

I received these hydroflask stickers the day after I ordered!! They arrived in very cute packaging. I love the variety of the stickers. All of the lines are very well printed. I've seen some in the past where the printer ink misfired and printed the image was blurry but these are sharp and nice looking! This arrangement had some nice pastels in it and I think my daughter will love them when she sees them in her stocking this Christmas!! I will definitely order from this seller again if she would like some more! (I used a bottle of nail polish in my pictures for size reference)

★★★★★ Very nice collection of both Christmas and winter themed stickers!

December 4, 2019

Color: stickers for water bottles | **Verified Purchase**

These stickers are so cute. My college age son and his fiancee were here and we went through them. They kept picking out the ones they wanted to keep! My husband also picked out the ones he wanted to put on his hunting bags and things at the cabin and in his hunting blind. It was a great collection of not only Christmas stickers, but winter themed stickers as well. Such a fun variety!! Reviewed by: Margie Hart

Perfect for my tweenager! It is so hard to know what to get kids these days and these are perfect to throw in with gift cards. My niece loves these and puts them on her water bottles or laptop. They are vibrant and perfect for her age.
