BEAUTIFUL CANDLE

I bought this candle as a gift so I can't speak as to how it burns, but it smells lovely! The package was beautiful, loved the rose gold! It's got some heft to it as well, I think there is a good possibility of reusing the glass container long after the candle is gone. Personally, I'd place it on my vanity with Q tips and such. Typically I would not pay this much for a candle but with the sale price and an extra 40% this was a no brainer!
