The screenshot shows the Amazon product page for the ANTARCTICA Military Folding Shovel. The page includes a navigation bar with the Amazon logo, search bar, and account options. The product title is "ANTARCTICA Military Folding Shovel Multitool Compact Backpacking Tactical Entrenching Tool for Hunting, Camping, Hiking, Fishing". The price is listed as \$49.99 with free shipping. The product is in stock and has a 4.5-star rating from 68 reviews. The main image shows the shovel in its folded state and its various components, including a rescue knife, saw, emergency whistle, fire starter, and bottle opener. A "Frequently bought together" section suggests purchasing the shovel with a Ka-Bar Tactical Spork and a LifeStraw Personal Water Filter for a total price of \$73.44. The right sidebar contains shipping information, a protection plan, and social media sharing options.

- Conveniently dig trenches with this versatile camping shovel with a hidden rescue knife and saw, emergency whistle, fire starter (magnesium rod), bottle opener, and more!
- Easily fit this folding camping shovel in your backpack, or the trunk of your vehicle. Dig your car tires out of snow, mud, or ice, or use the shovel head as a glass breaker in an emergency.
- Removable tool: Removable magnesium rod, replaceable after use. The detachable protective cone can break windows, screwdrivers and whistles in case of emergency.
- Thoughtfully engineered slip and sweat proof handle optimizes comfort, control, and leverages with all glove types to minimize hand fatigue. Comfortable and ergonomic to use as a recreational garden shovel, camping shovel, or on your backcountry and cross country trips.
- Built of quality material of high carbon steel and aviation aluminum alloy, durable and light weight.
