We make premium wines enjoyed by health conscious individuals with a clean, all natural, low carb wine making approach. Fresh Vine is conscious of what we consume and how it affects our overall fitness goals. Providing a low carb alternative wine allows us to enjoy a glass of wine with confidence.

Taste Notes:

Dark ruby in color. Ripe, expressive nose full of blackberry pie & dark cherry, spice box and a hint of mint. Secondary notes of tobacco and ripe plum. Medium-bodied, concentrated flavors of boysenberry, blackberry, & baker's chocolate. Finishes long and lively with flavors of plum and coffee, and supple tannins.
Alcohol 13.00%

YOUR SATISFACTION MATTERS MOST
