Quality and looks but.....

Reviewed in the United States on June 5, 2019

Color: Letter K **Verified Purchase**

I'll add some pics later. But the size is perfect. Not too big or too small. I ordered this belt buckle because my last name begins with a K and I figured it would be my daily buckle. The issue I have I'd the. Cut out at the top. The sharo edges dig into my gut. I'm not extremely overweigh by any means so if you have any type of gut I wouldn't

The quality is great, weight is perfect and design is gorgeous. The only draw back like I said is the sharo squared edges at the top making it unbearable to wear for hours a day.

Great Gift

Got this belt buckle and 3 others for 2 son and 2 of their closest friends. Something that they can share that shows their strong friendships. I like the design. Not real expensive but meaningful.
