Good purchase.

Color: Black **Verified Purchase**

Works great for us. Helps keep my fiancé's stuff closer to him since we only have one bedside table. Built nicely and holds what we need it to.

Really nice product. Thought for the price it would be flimsy but it actually holds my laptop water bottle and remotes and it stays put.

useful but smell bad

October 1, 2019

Color: Black **Verified Purchase**

it's a convenient design and the price is good, but it smells so bad at the very beginning, not like the normal PU leather. I've been using for couple weeks and I can still smell a bit of that.

This little pocket fits perfectly for my bed. I use to have lots of things in my end table. This pocket save the space and makes my end table tidy. It is very handy, and the material are great. The price are cheap, nice for anyone who want to save the bedroom space.

Perfect for College

October 9, 2019

Color: Light Grey **Verified Purchase** **Early Reviewer Rewards** [\(What's this?\)](#)

This is exactly what I was looking for! It was an amazing price and fits perfectly on my bunk. As a college student it makes such a difference having something next to my bed that I can easily access things in.

Small compartments

January 8, 2020

Color: Light Grey **Verified Purchase**

I didn't really love it. It's not bad by any means, just seems like it could fit more from the pictures. The iPad is tight, the remote control had to go in the bigger pocket, because if you put too many big things (water, remote, iPad, etc) then it's a more work to get them in and out to readily.

Ultimately, I don't feel that keeping objects in it makes it "easier" to get to.

The more a I look on Amazon, the better products I see with just 1-2 \$ more.

Returning.

So practical !

December 21, 2019

Color: Light Grey **Verified Purchase**

I always put my phone under the pillow when I sleep, although I know it's not good. My boyfriend often criticizes me because of the radiation, or I always ask him to find my phone. When I buy this product, I can put my phone, iPad, notepad, pen, bottled water all together, and I can find them soon. Very good product!
