Product description

Style: Jump 'N Play

Encourage the kids to enjoy playing outdoors with the Sportspower My First Jump 'N Play Bounce House with Slide! Great for parties, barbecues, and events, kids can stay active for hours of playtime outside while bouncing in and out of the bounce house. Inflating it is easy with the included electric air blower that gets it ready in less than 2 minutes and provides constant air for a reliable experience. The bounce house remains stable with the included anchoring stakes and it's built to be highly tough and durable with polyester construction and PVC coating, so parents can feel secure while the kids have fun. Enter and exit through the soft slide and bounce safely inside the netting enclosure. Kids can store their shoes in the attached exterior mesh pockets to fully enjoy the feel of the bounce house. All Sportspower play sets meet or exceed ASTM safety standards, so you and your children can enjoy the outdoors with peace of mind. The Sportspower My First Jump 'N Play is ideal for medium to large backyards and supports up to 250 pounds total. Recommended for children 3 to 8 years old. Measures 144"L x 108"W x 86.4"H when assembled. Includes 1 bounce house, 1 air blower, and 1 anchoring set. Comes with 90-day limited warranty.
