Stampede Presentation Products

World renowned for providing industry-leading AV and IT system solutions for dealers in every major vertical market, Stampede Presentation Products Inc. is the oldest and largest provider of ProAV solutions. Since 1998, Stampede has turned conventional wisdom on its head, pioneering the commercialization of innovative new technologies, platforms, products, and services that make the systems you design and install for your customers that much more effective for them — and profitable for you.

Stampede is strategically positioned to provide our dealers with the tools they need to grow their business and profits. With 4 North America warehouses and 2 Canada warehouses, we have the reach to service dealers across the world. We make pro av distribution simple with our Dealer Zone, your online portal for direct ordering, real-time inventory, and order management.
