

See your storage limit

Google Accounts include 15GB of free storage to share across Google Drive, Gmail, and Google Photos. If your Google Account is through work or school, you have at least 30GB of storage.

Check your storage

To see how much storage you're using:

1. Go to drive.google.com
2. In the bottom left, hover over your storage usage.

A window will appear that shows your usage. You can also see your storage usage at www.google.com/settings/storage .
