## Specs

- Weight + More**  
Tracks more than weight by showing your BMI in the Fitbit app. Aria 2 users can also see body fat percentage and lean mass in the app.
- Easy Smartphone Setup**  
Set up your scale in minutes. Use your smartphone's Bluetooth technology and a Wi-Fi network to get started with Aria 2 or just a Bluetooth connection to start using Aria Air.
- Tracker Compatible**  
Connects to the Fitbit app where it works alongside Fitbit watches and trackers to give you a better understanding of how your activity impacts your weight.
- Charts + Graphs**  
See your trends and track progress in easy-to-read charts & graphs on the Fitbit dashboard.
- Wireless Syncing**  
Can sync stats wirelessly to computers and 200+ leading iOS, Android and Windows devices. Aria 2 syncs automatically via your home Wi-Fi network, while Aria Air syncs via a Bluetooth connection only.
- Sleek Design**  
Built with a polished glass surface, this scale makes a stylish addition to any home. *Polished glass surface only on Aria 2.*
- Multiple Users**  
Aria 2 automatically recognizes and syncs stats for up to 8 users while keeping them private and Aria Air syncs individual stats to the Fitbit app when your phone is connected to the scale.
- Works With Fitbit App**  
See your progress over time and get the motivation to keep pushing towards your goals.
