

## launchPAD<sup>SM</sup>

Launching your loan originations  
OFF THE GROUND!

### For Small Lenders & Startups

launchPAD is a system that is already set up with all of the necessities. Its implementation is quick and easy to get you off the ground with minimal effort!

### Don't Want a Contract?

That works for us too! launchPAD offers a no-contract option for a little added flexibility.

### Want to give your dealers even more?

Connect launchPAD with Dealertrack or RouteOne to give your dealers the features they love!

### Just the Right Size

launchPAD is a scalable solution that was created to grow with your business. Easily transition into using appTRAKER LOS when you are ready to up your game!

### Fully Functional Yet Cost-Effective

The complete turn-key Loan Origination System at a price-point that small lenders and startups can get on board with!

### Ready on Day One

launchPAD comes standard with dozens of rules to choose from for use on day one. It is configured to be used out-of-the-box, but customizable enough to fit with your own workflows!
