APOLIS  
GLOBAL CITIZEN

ORIGIN: LIMA, PERU  
ISSUE: ORGANIC COTTON KNITS  
FACTORY CODE: PE-LAT-12.1248 / LON-77.0356

Apolis, meaning "global citizen," is a socially motivated lifestyle brand that empowers communities worldwide. Born in Peru using the highest social and environmental standards, we paired a soft, washed organic cotton jersey with a fit inspired by military issue undershirts, an essential foundation of the American wardrobe. We updated the details with a silk band collar and a taped finish along the shoulder to ensure durability.
