

Marcus: | Pay
by Goldman Sachs

With MarcusPay, life doesn't have to wait.

Exciting experiences are on the horizon. With MarcusPay, you can turn big purchases into monthly, fixed rate loan payments – without having to worry about added fees.

From **\$750** to **\$10,000**

Pay over **12** or **18 months**

APRs range
from **10.99%** to **25.99%**

Only the most credit worthy applicants qualify for the lowest rates and longest terms. Rates will generally be higher for longer term loans. [Learn more](#)

How it works

1

Choose MarcusPay at checkout

2

Complete your MarcusPay
application

3

Return to checkout and complete
your purchase

Why use MarcusPay?

No deposit

Your first payment isn't due until at least a month after your purchase

No fees

You pay for your purchase and interest over time. That's it

Fixed interest rate

Your rate won't change and each payment counts toward both principal and interest

Flexible options

12 and 18 month loan terms available
