## News and compliance strategies on a global level

### Report on Supply Chain Compliance (RSCC)

In today's competitive world, your supply chain faces an unlimited number of risks. How are you staying informed?

SCCE's *Report on Supply Chain Compliance (RSCC)* brings you the latest global news on regulation enforcements, compliance tools, and the evolving standards for supply chain management, covering:

- Third-party due diligence
- Trade agreements and sanctions
- Human trafficking and modern slavery
- Regulation guidance and much more!

RSCC is written by compliance experts and knowledgeable journalists. The stories are packed with valuable tools to help compliance professionals mitigate supply chain risks.
