Reed Albergotti

An accident at SpaceX

The technicians in the private space industry, responsible for building and repairing rockets, receive little recognition — even when they sacrifice their lives for the mission.

Global climate conference threatens to be a bust

The upcoming COP27 climate conference in Egypt could fail amid disputes between the developed and developing world.

Shelby Talcott

Donald Trump's plan to kill mail ballots in Pennsylvania

Former President Donald Trump is increasingly focused on changing voting rules in Pennsylvania, joining efforts to whip Republicans against a bipartisan mail-in voting law that's become a Trump world obsession since he lost the state by over 80,000 votes.

Yinka Adegoke

A third party candidate is making Nigeria's two main parties nervous

The two major political parties in Nigeria are increasingly nervous how well Peter Obi, a third party candidate for president, is doing in their private polls.

Ben Smith

Inside the Identity Crisis at the New York Times

The New York Times is the most important newspaper in the world. But Wall Street, the family that owns it, and its own employees are struggling to figure out what it will become.

Liz Hoffman

An activist investor has a garbage plan for Coca-Cola

Engine No. 1 stunned corporate America last year when it scored a major win over Big Oil, riding a climate-change campaign to three board seats at Exxon. Its next target is Big Plastic, starting with a quiet campaign to clean up Coca-Cola.

David Weigel

John Fetterman talks crime and punishment

Facing a gauntlet of Republican attacks on his record on crime, Pennsylvania Lt. Gov. and Senate candidate John Fetterman talked to Semafor about his philosophy on policing and why he believes in redemption for prisoners.

THE WORLD TODAY, FROM FLAGSHIP— Xi Jinping is looking to remake the Chinese Communist Party in his image, the worsening U.S. economy is a worry for Democrats, Russia's onslaught on Ukraine steps up, Nigeria's floods are worsening, a scoop from inside SpaceX, huge strides in treating cancer and fighting pandemics, an Iranian athlete goes missing, and Japan's sushi industry faces a crisis.
