

About

The mission of AEW Together is to create lasting, positive change in the communities we are part of and serve. Our focus is on the next generation, equity, wellness & service as we collectively fight for a better world together.

"Hand-in-hand with delivering the best product to our fans each week is our strong commitment to fostering a safe, healthy and inclusive community through the power of wrestling. AEW TOGETHER complements this by identifying causes that are important to our talent and supporting organizations in the cities we visit throughout the year. The team behind AEW TOGETHER will ensure that we make a positive impact in every town we visit through volunteering, fundraising and helping to drive social change." Tony Khan
