

Horse owners have unique insurance needs. Standard homeowners or farm owners insurance does not adequately cover equine operations such as the breeding, boarding, transporting or training of horses. Our agents will work with you to design the appropriate coverage at the best price. And, with Travelers, you can expect excellent service from our equine insurance underwriters, loss prevention specialists, and claim handlers.

As one of the largest, long time providers of equine-related insurance, Travelers is in-synch with your insurance needs. We look forward to working with you.
